

Dear Trinity Families,

It's hard to believe that it is this time of year already! Our 15th year is flying by.

On Saturday, March 29th, we will be celebrating together at our Annual Gala. It will be held at the Hollywood Venue and it is an adult only event.

This year's theme is "License to Thrill" and the entire evening will be based around all of the James Bond movies. The Gala Committee has been working hard to make this the best one yet.

It is important to understand the necessity to do well at this event. As you know, the funding that we receive from the State of Florida is not equal to the district schools. Each year, as we prepare the budget, there is a line item included for fundraising that supports our operating accounts. The funds from this event will help to make necessary grounds improvements, the construction of a new tech lab in the Media Center, and the technology to go into it. The Board and the PPA are charged with the duty of making sure the funds are raised.

The goal for the 2014 Gala is to raise \$40,000.00.

Gala offers an evening of enjoyment and community building while raising funds for our children's school. I encourage you to bring your friends and family members to share in the event. It's always been so much fun and gives us a chance to "let our hair down" together.

Please join us. I look forward to seeing you all there.

Regards,

*Madeline*
